

Limited Residential Warranty for Engineered and Solid Hardwood Flooring

Congratulations on purchasing Lewis & Clark hardwood flooring. All Lewis & Clark Wood Floors are manufactured under the strictest quality controls. We hope you will enjoy your new floor at home.

Struxtur, Inc is pleased to offer you the following Residential Warranty Program on all Lewis & Clark prefinished flooring products installed following recommended installation guidelines and complying with floor maintenance procedures and specific relative humidity conditions within your home.

This residential warranty is extended to the original purchaser of the Lewis & Clark prefinished hardwood floors. It applies strictly to residential and light commercial environments (business offices only). This warranty is not transferable to subsequent owners.

Pre-Installation Warranty

Lewis & Clark hardwood floors are manufactured to the highest quality standards. However, it is the duty of the owner and installer to inspect each plank for quality, color, and finish before installation. This warranty does not cover materials with visible defects once they are installed. Please immediately contact your retailer if you are not satisfied with the planks before cutting it. Since wood is a product of nature, standard industry practice allows for up to 5% flooring shipped to have milling, handling, finish and/or grade defects. This warranty applies only to material that is excess of this 5%. The Manufacturer will replace or refund the purchase price of material deemed to be defective in excess of this 5%.

Full Lifetime Structural Warranty

Struxtur offers a lifetime warranty to the original purchase that our engineered flooring products will not delaminate, if our flooring is not exposed to excessive moisture.

25-year Finish Warranty

Struxtur warrants to the original purchaser that, when maintained according to its care and maintenance recommendations, Lewis & Clark floor will not wear through for 25 years. If there is a problem with wear through, it must exceed 10% of the surface area for this warranty to cover.

Radiant Heat

Lewis & Clark floors are not recommended or warranted to be installed over radiant heated sub-floors.
